unique

weddings

Each of our function rooms tells a part of the College's story through history, with period features, and selected collections. On your wedding day you will be granted exclusive access to the College, with use of our most spectacular rooms, the College Hall, the Princess Alexandra Room, and the Lower Library.

The College Hall

The College Hall is the largest function suite in the building, and one of the grandest. It has many remarkable, original features including a magnificent ornate ceiling, chandeliers and an impressive Victorian fireplace.

The hall was purpose built in 1892 as a venue for formal events, examinations and Admission Ceremonies for new College Fellows and Members. It houses a collection of traditional portraits of prominent College Fellows, dating as early as 1599.

The Princess Alexandra Room

The Princess Alexandra Room is an elegant room with floor to ceiling windows, a stunning chandelier, and traditional period features.

The room is named after Her Royal Highness, Princess Alexandra of Kent, who became the College's first Royal Honorary Fellow in 1959, and whose portrait hangs to the East of the room.

The Lower Library

The Lower Library is a striking room full of history and character. Originally used as a reading room for Fellows and Members, the shelves of the Lower Library house a collection of late 19th and early 20th century medical textbooks.

Blythwood Square Gardens

As part of your wedding package, we can offer exclusive access to the beautiful gardens on Blythwood Square.

Situated just behind the College, the gardens offer the perfect setting for an outdoor drinks reception or a colourful background for your wedding pictures.
